Welcome to EBSCO's Advanced Searching tutorial, featuring CINAHL Plus with Full Text, the world's most comprehensive source of full text for nursing and allied health journals. In this tutorial, you will learn how to make the most of the CINAHL Headings, as well as how to access Evidence-Based Care Sheets, Quick Lessons, and Continuing Education Modules.

Search Options

<p>Search modes ?</p> <ul style="list-style-type: none"> <input checked="" type="radio"/> Boolean/Phrase <input type="radio"/> Find all my search terms <input type="radio"/> Find any of my search terms <input type="radio"/> SmartText Searching Hint 	<p>Apply related words <input type="checkbox"/></p> <p>Also search within the full text of the articles <input type="checkbox"/></p>
---	--

Limit your results

<p>Full Text <input checked="" type="checkbox"/></p> <p>Abstract Available <input type="checkbox"/></p> <p>Publication <input type="text"/></p>	<p>References Available <input type="checkbox"/></p> <p>Published Date from</p> <p>Month <input type="text"/> Year: <input type="text"/> to</p> <p>Month <input type="text"/> Year: <input type="text"/></p> <p>English Language <input type="checkbox"/></p>
--	--

We'll begin by conducting a keyword search from the Advanced Search screen. Enter **migraine** in the **Find** field, check the Full Text limiter to restrict results to those including full text only, and then click **Search** to view a Result List of all articles that contain your term in one of the citation fields.

<p>Search modes <input style="font-size: small; vertical-align: middle;" type="button" value="?"/></p> <p><input checked="" type="radio"/> Boolean/Phrase</p> <p><input type="radio"/> Find all my search terms</p> <p><input checked="" type="radio"/> Find any of my search terms</p> <p><input type="radio"/> SmartText Searching Hint</p>	<p><input type="checkbox"/> Apply related words</p> <p><input type="checkbox"/> Also search within the full text of the articles</p>
--	--

Limit your results

<p>Full Text <input checked="" type="checkbox"/></p> <p>Abstract Available <input type="checkbox"/></p> <p>Publication <input type="text"/></p>	<p>References Available <input type="checkbox"/></p> <p>Published Date from <input type="text"/> Month <input type="text"/> Year: <input type="text"/> to <input type="text"/> Month <input type="text"/> Year: <input type="text"/></p> <p>English Language <input type="checkbox"/></p>
--	--

To search within the full text of the articles and citation fields, place a check in the box next to the expander **Also search within the full text of the articles**. You can automatically place an **OR** between search terms by clicking the radio button for the **Find any of my search terms** search mode. To further expand your results, place a check in the box for **Apply related words**.

FOLDERS: Click on the **Add to folder** link to collect results in the (temporary) session folder. To save results beyond the current session, log in to My EBSCOhost and either create a free folder account, or sign in to an existing folder account.

The screenshot shows the EBSCO Evidence-Based Care Sheets interface. At the top, the navigation bar includes 'New Search', 'Publications', 'CINAHL Headings', 'Evidence-Based Care Sheets', and 'More'. The 'Evidence-Based Care Sheets' and 'More' links are circled in red. A dropdown menu is open under 'More', showing 'Quick Lessons', 'Cited References', 'Images', 'Citation Matcher', and 'Indexes'. The 'Quick Lessons' link is also circled in red. The main content area shows the 'Quick Lessons' section with a search bar containing 'headache' and a 'Browse' button. Below the search bar, there are radio buttons for 'Alphabetical' (selected) and 'Relevancy Ranked'. A 'Page: Previous | Next' link is visible. A green bar contains the text 'Select one or more items and click' followed by a 'Search' button, both circled in red. Below this, a list of topics is shown with checkboxes: 'Headaches, Migraine' (checked and circled in red), 'Headaches, Tension-Type', 'Heat Stroke', 'Hemophilia', 'Hepatitis A', 'Hepatitis B', and 'Hepatitis C'.

Click on the **EVIDENCE-BASED CARE SHEETS** or **QUICK LESSONS** links to view a list of all available topics on which these documents are available. Simply check the box in front of any item in the list, and click on the **Search** button.

EBSCOhost Research Databases

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

EBSCO Support Site

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, tutorials, and user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day, Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

How to Use Help

- When the Help icon appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon to the right of the Find field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

Note: The recommended screen resolution for EBSCOhost is 1024 x 768.
