

NLM Classification

WORLDWIDE SOURCE OF MEDICAL LIBRARY CLASSIFICATION

QS Human Anatomy

- QS 1-132Anatomy
- QS 504-532Histology
- QS 604-681Embryology

QT Physiology

- QT 1-33.1Reference Works. General Works
- QT 34-37Physics, Mathematics, Engineering
- QT 104-172Human Physiology
- QT 180-245Physiology, Hygiene
- QT 250-275Leisure Activities, Sports Medicine

QU Biochemistry, Cell Biology and Genetics

- QU 1-54Reference Works. General Works
- QU 55-70Proteins, Amino Acids, Peptides
- QU 75-99Carbohydrates, Lipids
- QU 100-133Biochemistry of the Human Body
- QU 135-144Enzymes
- QU 145-220Vitamins
- QU 300-500Cell Biology and Genetics

QV Pharmacology

- QV 1-55Reference Works. General Works
- QV 60-75Dermatologic Agents, Gastrointestinal Agents
- QV 76-113Central Nervous System Agents, Local Anesthetics
- QV 120-140Autonomic Agents, Nonmetallic Elements, Neuromuscular Agents
- QV 150-160Cardiovascular Agents, Renal Agents
- QV 170-177Reproductive Control Agents
- QV 180-195Hematologic Agents
- QV 220-243Local Anti-Infective Agents, Dyes, Tars
- QV 247-269Anti-Inflammatory Agents, Anti-Infective Agents, Antineoplastic Agents
- QV 270-285Water, Electrolytes
- QV 290-325Heavy Metals, Gases
- QV 350-370Anti-Bacterial Agents, Tissue Extracts
- QV 600-667Toxicology
- QV 701-835Pharmacy and Pharmaceutics

QW Microbiology, Immunology

- QW 1-300Microbiology
- QW 501-949Immunology

QX Parasitology

- QX 1-45Reference Works. General Works
- QX 50-151Unicellular Eukaryota
- QX 200-451Helminths, Annelida
- QX 460-483Arthropods
- QX 500-675Insects, Other Parasites

QY Clinical Pathology

- QY 1-39Reference Works. General Works
- QY 50-110Laboratory Animals, Laboratory Techniques
- QY 120-350Diagnostic Tests
- QY 400-490Blood, Blood Chemistry

QZ Pathology

- QZ 1-39Reference Works. General Works
- QZ 40-109Pathogenesis, Etiology
- QZ 140-190Manifestations of Disease
- QZ 200-380Neoplasms, Cysts

W General Medicine, Health Professions

- W 1-28Reference Works. General Works
- W 32-64Law, Ethics, Professional-Patient Relations
- W 74-80Medical Economics
- W 82-83.1Biomedical Technology
- W 84-85.5Health Services, Patients and Patient Advocacy
- W 87-96Professional Practice
- W 100-275Medical, Dental, and Pharmaceutical Service Plans
- W 322-323Social Welfare through Medicine
- W 601-925Forensic Sciences

WA Public Health

- WA 1-106Reference Works. General Works
- WA 108-245Preventive Medicine
- WA 250-295Accident and Injury Prevention, Disasters
- WA 300-395Health Problems of Special Population Groups
- WA 400-495Occupational Medicine, Health and Hygiene
- WA 525-590Health Administration and Organization
- WA 670-847Sanitation, Environmental Control
- WA 900-950Statistics, Surveys

WB Practice of Medicine

- WB 1-117Reference Works. General Works
- WB 120-130Home Health Care, Works about Medicine for the Layperson
- WB 141-293Diagnosis
- WB 300-962Therapeutics

WC Communicable Diseases

- WC 1-100Reference Works. General Works
- WC 140-185Sexually Transmitted Diseases
- WC 195-425Infection, Bacterial Infections
- WC 450-475Mycoses
- WC 500-590Virus Diseases
- WC 600-660Rickettsiaceae Infections, Chlamydiaeae Infections
- WC 680-950Tropical and Parasitic Diseases

WD Disorders of Systemic, Metabolic or Environmental Origin, etc.

- WD 100-175Nutrition Disorders
- WD 200-226Metabolic Diseases
- WD 300-380Immunologic and Collagen Diseases, Hypersensitivity
- WD 400-430Animal Poisons
- WD 500-530Plant Poisons
- WD 600-670Disorders and Injuries of Environmental Origin
- WD 700-745Aviation Medicine
- WD 750-758Space Medicine
- WD 800Naval Medicine

WE Musculoskeletal System

- WE 1-141Reference Works. General Works
- WE 168-190Orthopedics, Reconstructive Orthopedics, Bone Transplantation
- WE 200-259Bones
- WE 300-400Joint Tissues
- WE 500-600Muscles and Tendons
- WE 700-715Head and Trunk
- WE 720-755Back
- WE 800-886Extremities
- WE 890Podiatry

WF Respiratory System

- WF 1-110Reference Works. General Works
- WF 140-900Diseases of the Respiratory System
- WF 970-985Thorax, Thoracic Surgery

WG Cardiovascular System

- WG 1-113Reference Works. General Works
- WG 120-170Cardiovascular Diseases, Diagnosis and Therapeutics
- WG 200-460Heart, Heart Diseases
- WG 500-700Blood Vessels, Vascular Diseases

WH Hemic and Lymphatic Systems

- WH 1-100Reference Works. General Works
- WH 120-540Hematologic Diseases, Immunologic Factors, Blood Banks
- WH 600-700Lymphatic System

WI Digestive System

- WI 1-150Reference Works. General Works
- WI 200-250Stomatognathic System, Esophagus
- WI 300-387Stomach
- WI 400-575Intestines
- WI 600-650Anus, Rectum
- WI 700-770Liver, Biliary Tract
- WI 800-830Pancreas
- WI 900-970Abdomen, Abdominal Surgery

WJ Urogenital System

- WJ 1-190Reference Works. General Works
- WJ 300-378Kidney
- WJ 400-600Ureter, Bladder, Urethra
- WJ 700-875Male Genitalia

WK Endocrine System

- WK 1-148Reference Works. General Works
- WK 150-190Hormones, Hormone Therapy
- WK 200-300Thyroid Gland, Parathyroid Glands
- WK 350-400Pineal Gland, Thymus Gland
- WK 500-590Pituitary Gland
- WK 700-790Adrenal Glands
- WK 800-885Islets of Langerhans
- WK 900-920Gonads

WL Nervous System

- WL 1-102Reference Works. General Works
- WL 102.5-102.9Neurons
- WL 103-108Psychophysiology, Neurosciences
- WL 140-160Diseases, Examination and Diagnosis (General)
- WL 200-405Central Nervous System, Disorders, Therapeutics
- WL 500-544Peripheral Nerves
- WL 600-610Autonomic Nervous System
- WL 700-710Sense Organs

WM Psychiatry

- WM 1-110Reference Works. General Works
- WM 140-167Mental Disorders, Diagnosis, Behavioral Symptoms
- WM 170-197Neurotic Disorders
- WM 200-220Psychotic Disorders
- WM 250-250.6Substance-Related Disorders
- WM 300-308Mental Retardation
- WM 400-460.7Therapies
- WM 475-611Other Disorders

WN Radiology, Diagnostic Imaging

- WN 1-160Reference Works, Diagnostic Technology
- WN 180-240Diagnostic Imaging, Radiography
- WN 250-250.6Radiotherapy
- WN 300-340Radium
- WN 415-665Radioactivity (Excluding Roentgen Rays and Radium)

WO Surgery

- WO 1-102Reference Works. General Works
- WO 113-149Antisepsis, Diseases, Diagnosis, Shock
- WO 162-176Surgical Equipment, Artificial Organs
- WO 178-198Principles of Care, Procedures
- WO 200-460Anesthesia
- WO 500-517Operative Surgical Procedures, Techniques
- WO 600-640Plastic Surgery, Reconstructive Surgical Procedures
- WO 660-690Transplantation
- WO 700-820Traumatic Injuries
- WO 925-950Special Age Groups

WP Gynecology

- WP 1-390Reference Works. General Works
- WP 400-480Uterus, Cervix
- WP 505-560Physiology
- WP 565-570Fertility, Infertility
- WP 580-610Menopause, Sexual Dysfunction
- WP 630-640Contraception
- WP 650-660Therapy
- WP 800-910Breast

WQ Obstetrics

- WQ 1-150Reference Works. General Works
- WQ 152-175Childbirth, Prenatal Care
- WQ 200-212Pregnancy
- WQ 215-260Pregnancy Complications
- WQ 300-330Labor
- WQ 400-450Obstetric Surgical Procedures
- WQ 500-505Postpartum Period

WR Dermatology

- WR 1-105Reference Works. General Works
- WR 140-340Skin Diseases
- WR 345-350Parasitic Skin Diseases
- WR 390-475Skin Appendages
- WR 500-660Neoplasms, Ulcers, Occupational Dermatitis, Therapy

WS Pediatrics

- WS 1-100Reference Works. General Works
- WS 103-105Growth and Development
- WS 107-110Mental Retardation, Learning Disorders
- WS 113-141Child Care, Nutrition, Physical Examination
- WS 200-342Diseases of Children and Adolescents
- WS 350-350.6Child Psychology, Child Psychiatry
- WS 360-368Pediatric Specialties
- WS 405-460By Age Groups
- WS 462-463Adolescent Psychology, Adolescent Psychiatry

WT Geriatrics, Chronic Disease

- WT 1-39Reference Works
- WT 100-166Geriatrics
- WT 500Chronic Disease

WU Dentistry, Oral Surgery

- WU 1-49Reference Works. General Works
- WU 50-95Ethics, Professional Practice and Personnel, Records
- WU 100-113.7Anatomy, Physiology, Hygiene
- WU 140-166Diseases, Injuries, Technology, Therapeutics
- WU 170-190Dental Chemistry and Materials
- WU 210-290Dental Anatomy, Diseases
- WU 300-360Operative Dentistry
- WU 400-440Orthodontics
- WU 460-495Special Patient Groups
- WU 500-530Prosthodontics
- WU 600-640Oral Surgery

WV Otolaryngology

- WV 1-101Reference Works. General Works
- WV 140-190Diseases, Therapeutics
- WV 200-290Ear
- WV 300-358Nose and Paranasal Sinuses
- WV 400-440Pharyngeal Region
- WV 500-540Larynx

WW Ophthalmology

- WW 1-100Reference Works. General Works
- WW 101-290Eye
- WW 300-340Refraction, Errors of Refraction
- WW 350-358Corrective Devices
- WW 400-460Neuromuscular Mechanism, Neurologic Manifestations of Disease
- WW 475-480Manifestations of Disease, Poor Vision
- WW 505-525Occupational Ophthalmology, Eye Injuries
- WW 600-620Age Groups
- WW 704-722.1Optometry

WX Hospitals and Other Health Facilities

- WX 1-100Reference Works. General Works
- WX 140-147Facility Design and Construction, Equipment
- WX 150-190Hospital and Health Facility Administration
- WX 200-225Clinical Departments and Units

WY Nursing

- WY 1-49Reference Works
- WY 77-88Economics, Ethics, Philosophy, Psychological Aspects
- WY 90-100.7Referral, Nursing Care, Assessment and Audit
- WY 101-145Nursing Specialties
- WY 150-170Nursing in Special Fields of Medicine
- WY 191-200Other Services

WZ History of Medicine, Medical Miscellany

- WZ 1-40Reference Works. General Works
- WZ 51-80History by Period, Locality, etc.
- WZ 100-150Biography
- WZ 220-225Manuscripts
- WZ 230-260Early Printed Books
- WZ 270Americana
- WZ 290-294Modern Versions and Commentaries of Early Works
- WZ 305-350Miscellany Relating to Medicine
