

STATISTICHE D'USO DELLE RISORSE DELLA BIBLIOTECA MEDICA

(TDNet) Periodici Elettronici

Anno 2010 - Elenco degli e-journals in base agli Accessi

TDNet è un'interfaccia che riunisce le informazioni sulle riviste possedute dalla Biblioteca. Permette l'accesso in linea agli indici, agli abstract e al full-text degli articoli degli e-journals, nonché la creazione di profili di interesse personale (My TDnet) e l'invio, in posta elettronica, degli indici della rivista (Alerts)

Qui sono stati raccolti questi dati per i singoli e-journal e presentati in ordine decrescente, a formare una classifica delle riviste in base al numero degli accessi. Le riviste che non hanno avuto accessi non sono state riportate.
